

Extraordinarily Hairy Popular Delusions...

EPISODE 3

("A CHANGE IN STRATEGY")

...and the madness of crowds!!!

So you mean to tell me that you guys jammed \$250 billion into a handful of financial institutions—and they are going to pay it out in bonuses, go on a merger spree and not make any new loans? So whose explaining this one to Warren Buffett? One helluva way to rebuild confidence!

Forget about Warren!
Who's explaining it to
Joe the Plumber?
