## Extraordinary Popular Delusions... ...and the Madness of Crowds

GDP = \$4 TRILLION

IF YOU'RE GONNA  
OWE SOMEONE  
MAKE SURE IT'S  
ALOT OF  
MONEY

GDP =  
\$3 TRILLION

Episode 6 (Nov 4, 2008)—the good guy arrives: "It's just 'yuan' me baby!"

Premier Wen, just let me be clear. We can do things the hard way or...ah we can do things the easy way—personally sir I much prefer to do things the easy way. Your call... May I strongly suggest you stop screwin' around with your currency!

Let me see if I get it? We owe this guy \$500 billion, and if we stop buying his crap... he's toast. We'll see you on the moon!!

Big congratulations President-elect Obama., but you owe people lotta money!!!!-- like 11 trillion dollah!!!! You gonna pay me pay back Obama or what?

If he can't pay me back I got BIG problem
